CC Docket No. 02-33

May 20, 2009

Chazy and Westport Telephone Corporation ("Company") hereby provides notice that it plans to terminate provision of wireline broadband Internet access service (WBIAS) on a tariff basis effective July 1, 2009 at which time it plans to offer permissive detariffed WBIAS on a Title II common-carriage basis pursuant to paragraph 94 of the Federal Communications Commission's *Wireline Broadband Order*¹. The Company currently offers WBIAS through Asymmetric Digital Subscriber Line ("ADSL") Access Service under NECA's Tariff F.C.C. No. 5.

In order to effect the permissive detariffing, NECA will make a tariff filing with the Federal Communications Commission on June 16, 2008 on 15-day notice to remove the Company from its Tariff F.C.C. No. 5 ADSL Access Services (hereinafter "WBIAS") under the tariff effective July 1, 2009.

Impact on Customers

The only customer for the Company's WBIAS is the Company's affiliate nonregulated Internet Service Provider ("ISP") operation. The affiliate purchases WBIAS for use as a component in its broadband Internet service sold to consumers and business customers. The discontinuance of the tariff offering of WBIAS will have no effect on the end user service provided by the affiliate.

Serving Area

The Company's provision of WBIAS is limited to its ILEC serving area in northeast New York; exchanges include Chazy, West Chazy, and Westport.
